

Declaration of the Camp Horne Staff Association

Whereas: Many Scouts and Scouters have had meaningful experiences serving as staff members at Camp Horne, BSA; and

Whereas: The traditions and ethics involved in the act of working as a staff member have positively impacted both those working, and those attending Camp Horne; and

Whereas: The Camp Horne Staff itself is vitally important to the program; and

Whereas: The teaching, building, and leading of the campers themselves is most vital to the success of the camp in the past, now, and in the future; and

Whereas: Sharing the same goals, the love of the outdoors, and the desire to see the scout campers succeed, while living, eating, and working together forms an enduring camaraderie and a loyal brotherhood; and

Whereas: The bond developed among those sharing this fellowship, and who have experienced one of the greatest gifts that Scouting has to offer should not be allowed to whither.

We, Therefore, the staff alumni of Camp Horne, Black Warrior Council, Boy Scouts of America, publish and declare the formation of the Camp Horne Staff Association. And for the support of this declaration, we mutually pledge to each other our time and support.

In Witness Whereof, we have hereunto set our hands this 16th day of July, 2005, in the Old Dining Hall, Camp Horne, BSA, Cottdonale, Alabama.
